HYPOALLERGENIC

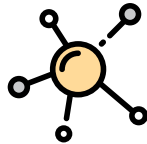

SUNBLOCK, WE CALL IT FERNBLOCK®

The Heliocare 360° range contains Fernblock®, a natural sun protection anti-oxidant extracted from the fern plant of Central and South America. Fernblock® neutralises free radicals and repairs damage caused within cells by UV radiation.¹

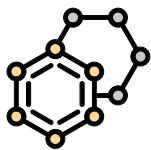

FERNBLOCK® WORKS AT 4 LEVELS²

Protection against UVB, UVA,
Infrared & visible light*

Powerful
antioxidant

Protective and restorative
skin cells against sun damage

Protects skin architecture
& help prevent skin ageing

UVB: Ultraviolet B; **UVA:** Ultraviolet A;
HEVL: High Energy Visible Light; **IR:** Infrared.

¹Clinically tested in babies and children from 3 months (except Transparent Spray). Babies and young children should not be exposed to direct sun.
